Annual General Meeting

Election of Directors – Record of Ballot Counting and Election Results Report

Record of Ballot Counting

Candidate Name	Votes Cast	Number of Total Valid Ballots if Rules require*	Elected and Term*
Wonder Womyn	25		Elected 2 years
Fred Flyntstone	12		
Stellar Man	21		Elected 2 years
Cinder Ella	19		Elected 1 year
Nemo Clownfish	23		Elected 2 years
Total Valid Ballots Cast	25		

See your Rules 18.3 - 18.4 for voting requirements. Model Rules require that the candidates who receive the highest number of votes (a plurality) be elected. Some co-ops' Rules require a simple majority, which is more than half of the ballots cast. That is the purpose of this third column.

* If your Rule 18.5 has a director's term decided by the number of votes received, please include the term in this column. If not, the board will set terms at its first meeting.

Please note: The first page goes with the ballots, to be kept or destroyed based on the decision at the meeting about disposal of the ballots.
